Dr. Gomez Chiropractic, LLC

Dear Existing and Prospective Patients:

It is with great **EXCITEMENT** that I would like to share with you an **UPCOMING BRAND NEW** addition to my office. I am pleased to announce that we are **NOW** part of the **LARGEST** Group of Branded NON-Surgical Spinal Disc Centers known as '**DISC Centers of America**'.

With an emphasis on Spinal Disc care, utilizing an **AMAZING** Medical Technology known as "**Non-Surgical Spinal Decompression**" I will be able to take care of patients suffering from Low Back Pain, Neck Pain, Arm and Leg Pain, Sciatica, Numbness, Tingling, Pins & Needles and MORE.

These patients are often diagnosed with a Degenerative, Bulging, or Herniated Spinal Disc and often have been taking dangerous opioid medications or been told that they may need a risky epidural spinal injection or even costly back surgery.

So often, if we see patients earlier in this process, we can afford them a much safer, much gentler, much easier, and much more "Cost-Effective" NON-SURGICAL option.

With over 200+ centers worldwide, the "NEW" **DISC Centers of America** division, that is coming to my office, will enable me to continue to provide you and your family with the HIGHEST standard in Spinal Disc Care.

As a SPECIAL GIFT I am offering a PRE-SALE SPECIAL!

A COMPLIMENTARY Spinal Disc Evaluation (Valued at \$355) by simply calling or texting me directly at (727)916-0407 and scheduling an appointment. **ADDITIONALLY**, if you are indeed a candidate for this procedure, you will receive a "Pre-Sale Special" of 50% off the Spinal Decompression DISC Restoration Care Plan.

Yours truly....."Dr. G"
